LAWATAN KE LAMAN SANTAI @ AMPANG POINT OLEH DEWAN BANDARAYA KUALA LUMPUR (DBKL)

A VISIT FROM KUALA LUMPUR CITY HALL (DBKL) TO LAMAN SANTAI @ AMPANG POINT

MPAJ telah menerima kunjungan hormat daripada 10 pegawai Dewan Bandaraya Kuala Lumpur (DBKL) pada 27 Mac 2021. Tujuan lawatan adalah mempelajari pelaksanaan Laman Santai @ Ampang Point. MPAJ menyediakan kawasan tempat duduk berbumbung untuk kegunaan pelanggan dan orang awam manakala peniaga hanya dibenarkan berniaga menggunakan kenderaan saji. Kendera saji tidak dibenarkan untuk ditinggalkan di tapak dan perlu dibawa pulang. Konsep ini dilihat lebih kemas dan menjadi trend masa kini. Ianya adalah sebuah projek berimpak tinggi memandangkan kawasan ini pada asalnya adalah penempatan penjaja berselerak yang hanya berniaga menggunakan meja lipat dan payung. Penjenamaan semula yang dilaksanakan oleh MPAJ dengan bantuan kewangan daripada Kementerian Perumahan & Kerajaan Tempatan (KPKT) telah memberi lonjakan janaan ekonomi peniaga setempat. Lawatan ini diketuai oleh Tuan Khairul Anuar bin Muhd Juri, Pengarah Jabatan Peleseran dan Pembangunan Penjaja DBKL. Hadir memberi penerangan adalah Pn. Marlina binti Mohamad, Pengarah

Jabatan Pelesenan MPAJ bersama wakil Jabatan Kesihatan, Alam Sekitar & Penjaja MPAJ.

MPAJ received a visit from 10 officers of Kuala Lumpur City Hall (DBKL) on 27 March 2021. The purpose of the visit was to learn about the implementation of Laman Santai @ Ampang Point. MPAJ provides covered seating areas for the use of customers and public while traders are only allowed to trade using food trucks. Food trucks are not allowed to be left on site and must be taken home. This concept is seen to be more tidy and has become a current trend. It is a high impact project as the area was originally a settlement of scattered hawkers who only traded using folding tables and umbrellas. The rebranding implemented by MPAJ with financial assistance from the Ministry of Housing & Local Government (KPKT) has given a boost to the economy of local traders. The visit was led by Tuan Khairul Anuar bin Muhd Juri, Director of Licensing and Hawker Development Department of DBKL. Present to give briefing was Pn. Marlina binti Mohamad, Director of MPAJ Licensing Department with representatives of MPAJ's Health, Environment & Hawkers Department.
